ABOUT US

MACLEOD SCOTLAND

We are Australia's only official distributor for FLEXFIT® & Yupoong Caps, Beanies and Bucket Hats.

We hold stock right here in our Australian warehouse which means quicker delivery times and excellent support from our friendly team. We have been providing our Australian customers excellent service and a growing range of FLEXFIT® & Yupoong Caps since 1998!

Many of Australia's largest custom cap businesses have already partnered with us and enjoy the benefits being able to customise and sell the highest quality FLEXFIT® caps to their customers sourced from a reputable Australian Family owned business.

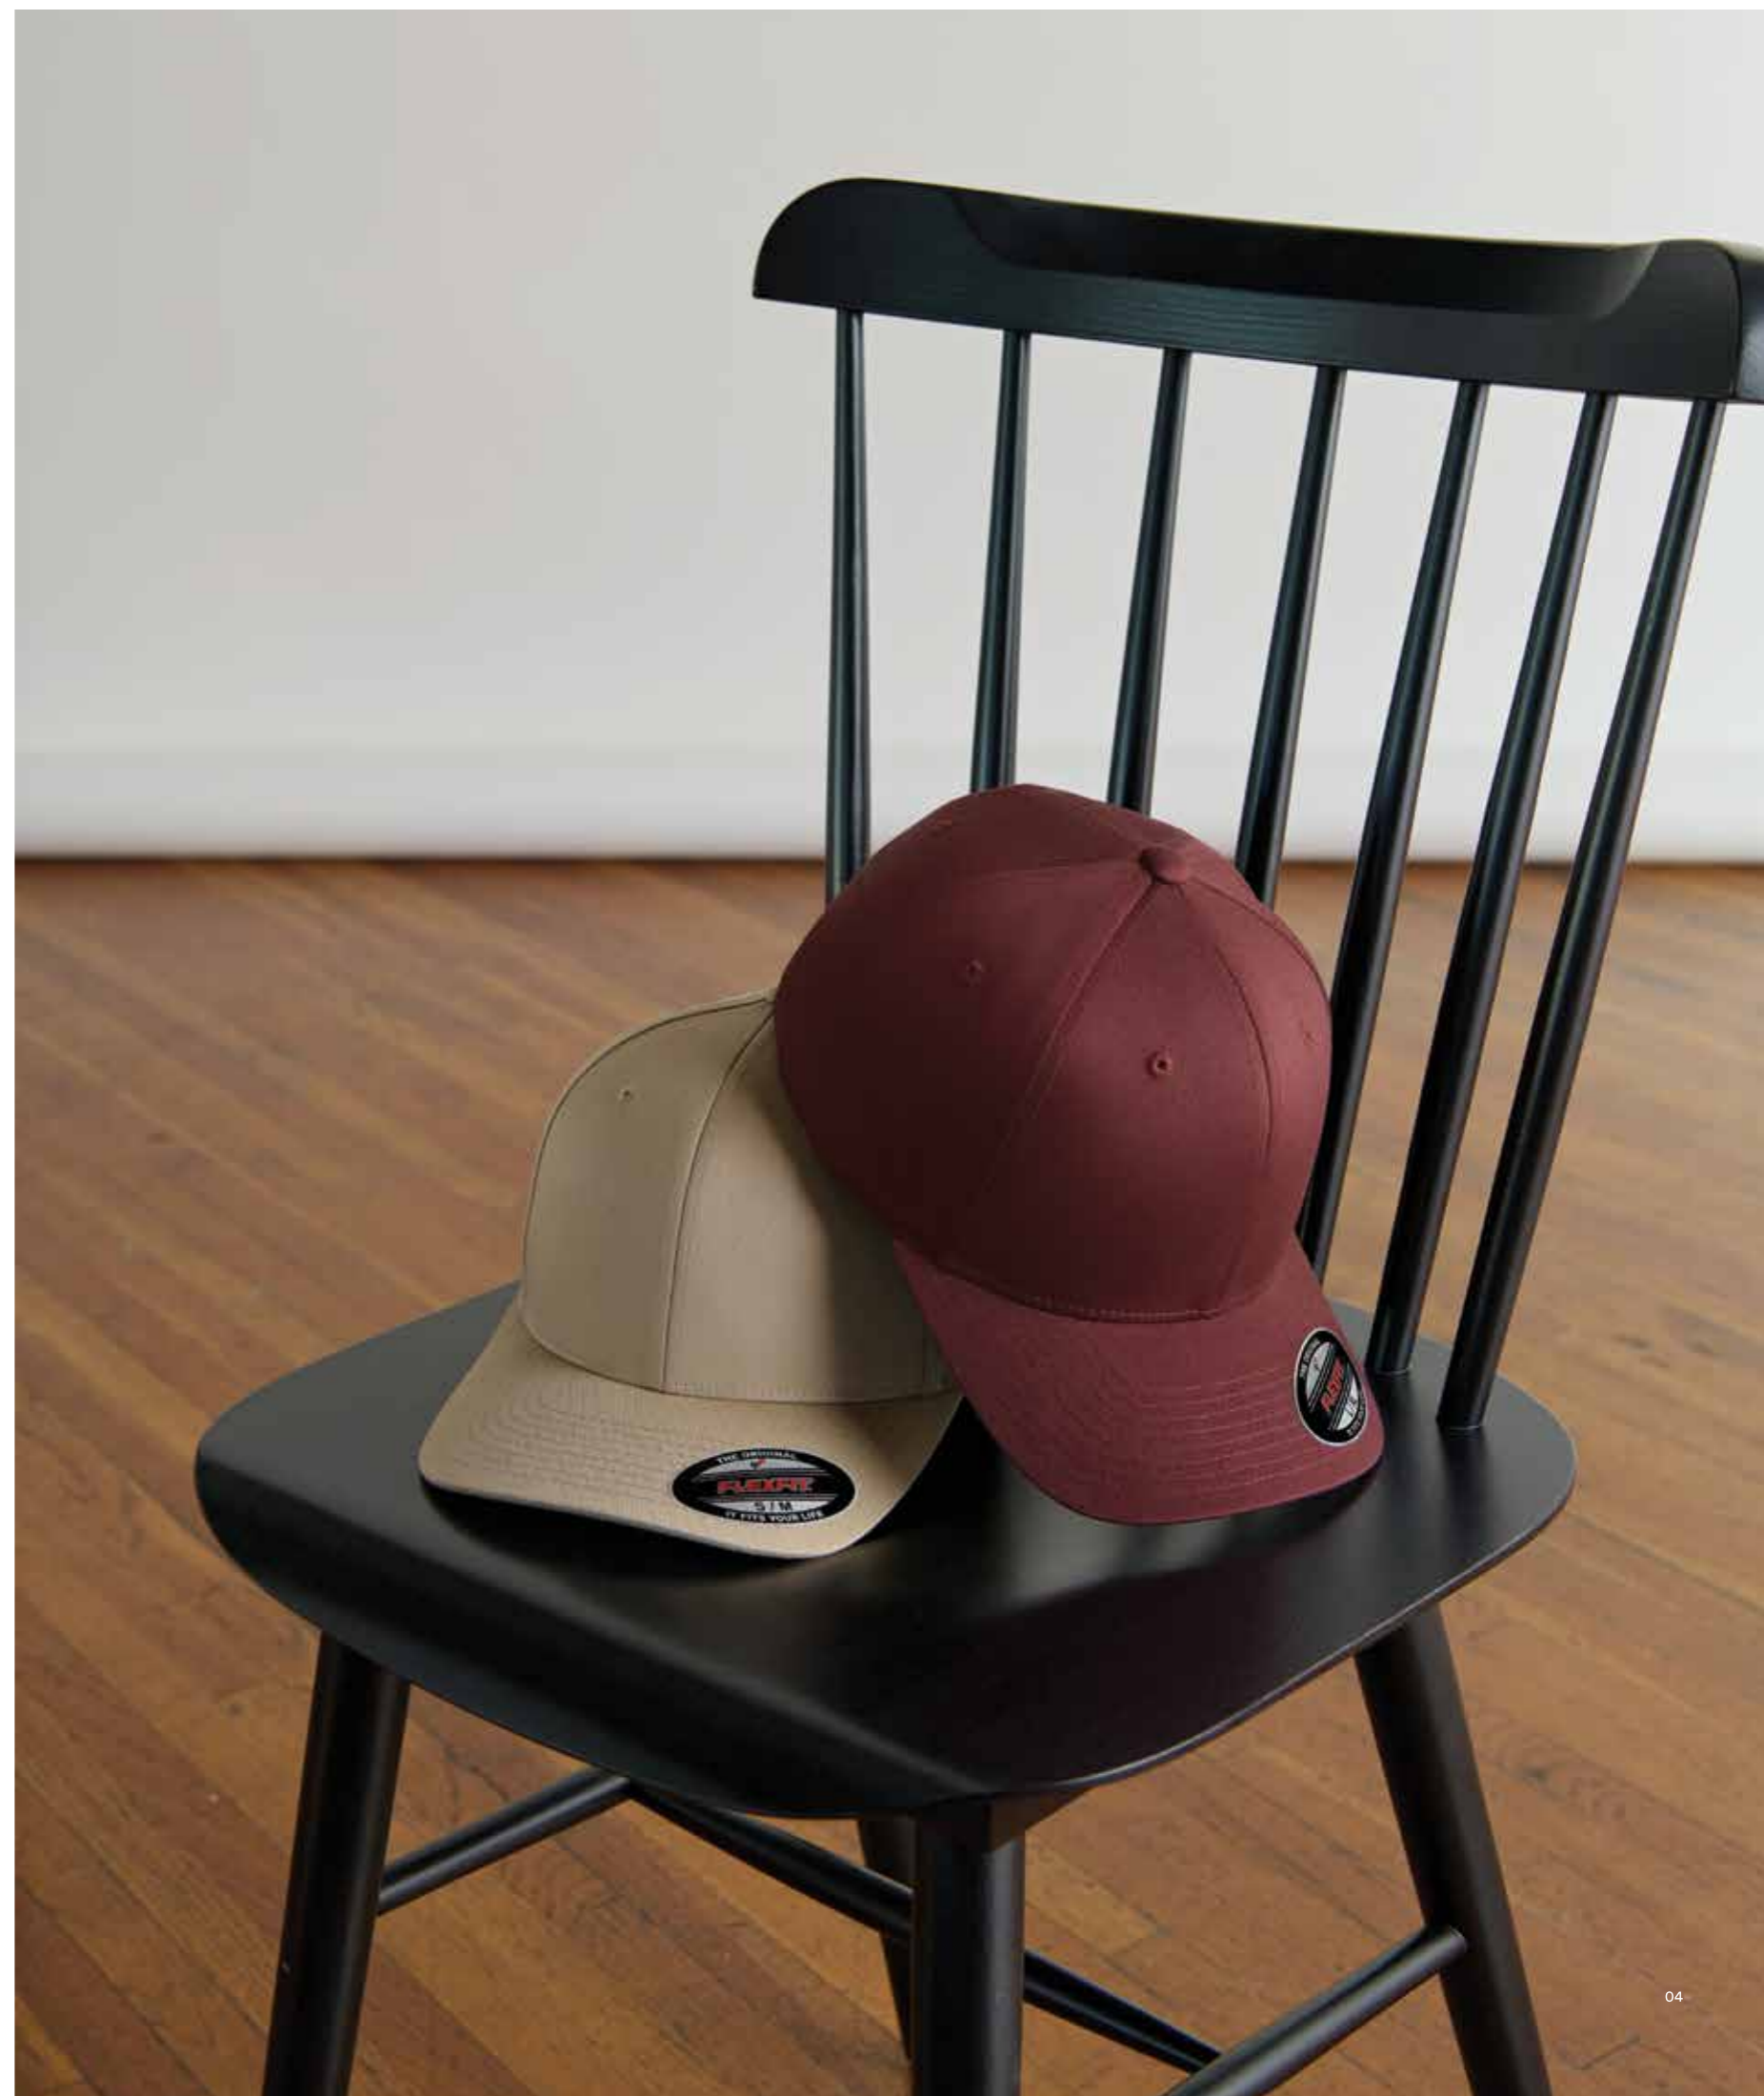

FLEXFIT

Since the beginning, we've broken through barriers to evolve and innovate.

The Flexfit® story is full of breakthroughs because we've been toppling technical and functional limitations since day one. Today's diverse collection of caps is the result of a decades-long pursuit of greatness – because in our long history, we've never once rested or accepted the status-quo.

That's why our caps are the number one choice for innovators, experts, top-level athletes, and hard-working professionals all over the world. We believe that mindful design and quality construction are the cornerstones of performance in the field and style on the streets.

Our success has always been connected to the visionaries that express themselves through our caps. That's why we're continuing to offer a diverse range of services to accommodate ideas and styles for any application.

SEEK OUR MARK

The 4-bar logo is an authenticating signifier for our unmistakable quality control and craftsmanship. It is the symbol that invokes our brand's enviable and decades long foothold in the headwear industry.

PRODUCT GUIDE

YP CLASSICS®

Esteemed since 1974, YP Classics® caps represent an array of styles and technologies. From original Snapbacks and Trucker styles to sturdy beanies, YP Classics® caps are crafted with the best materials on the market.

FLEXFIT®

Flexfit® caps are the original stretchable fitted caps featuring the iconic Flexfit® Technology. With polyurethane spandex woven into the sweatband, these all-purpose caps deliver the perfect blend of comfort and style for sports and casual wear.

FLEXFIT 110®

Named after its ability to fit 10 sizes and every size in between, the Flexfit 110® cap is valued by sellers and wearers alike for its superior comfort and functionality. It features an adjustable back closure with Flexfit® Technology, so all areas of the cap provide a responsive fit.

FLEXFIT DELTA®

This innovative cap is lighter, sleeker, and smarter than ever before. The Flexfit Delta® cap features seamless construction with a lightweight approach. The patented Stain-Block Technology diffuses sweat faster for extra comfort.

ENGINEERED FOR PERFORMANCE

In 1994, Flexfit® Tech was the first to weave stretchable fabric into our headbands and crowns for added elasticity, performance, and comfort. Since then, Flexfit® Technology has evolved and defied conventional headwear mechanics year after year. With a continued focus on innovation, our caps provide the best fit for every unique shape and every demanding application.

TECHNOLOGIES

	FLEXFIT® TECH	Weaves stretchable fabric throughout the cap's crown for a secure and flexible fit.
	PERMACURV®	Visor technology that maintains its proper shape and curve at all times.
	FLEXFIT® MESH	A revolutionary stretchable mesh that provides ultimate ventilation and comfort.
	STAIN BLOCK TECH	This patented technology features a 3-layer multifunctional sweatband that effectively absorbs, stores and diffuses sweat to the undervisor where it evaporates.
	ULTRAFIBRE	Robust, lightweight, and wind/water resistant fibers with a natural shine that emanates strength.
	UNIPANEL™ TECH	Seamless front panel that provides a smooth, uninterrupted canvas for immediate wear or customization.
	ACTIVEGUARD™	Enhanced Cool & Dry technology to produce elevated moisture management. Sweatband rapidly absorbs the sweat, rapidly disperses the sweat to the undervisor and quickly evaporates the sweat to ensure lighter cap with superior comfort.

	COOL & DRY	Wicks perspiration away from the body, making sure to stay cool, dry, and refreshed.
	FLEXIBLE VISOR	Super lightweight and designed to be bent in any way and still keep its shape.
	PRO-FORMANCE®	Combines Cool & Dry properties with the premium look and feel of wool fabric.
	HYBRID TECH	Combining water repellency and Cool & Dry's moisture-wicking for ultimate comfort.
	WATER REPELLENT	Offers water repelling features to stay dry under any given circumstances.
	ECOWASH™	Clean fabric washing technology with less water, less energy and no chemicals usage. US Patent Pending
	HYPER TECH	Conquers all of the elements: thermal regulation, Cool & Dry, anti-bacterial, and UV protection.
	ECODRY	Environmentally friendly water repellency without the use of hazardous chemicals.

FLEXFIT DELTA®

LIGHTER SMARTER SLEEKER

A definitive style driven by revolutionary technologies, Flexfit Delta® cap boasts luxurious exterior, innovative features, and unrivaled comfort. The cap's featherlight weight along with the patented stain-block technology makes this a perfect addition to your dynamic day. The Flexfit Delta® cap prevents unwanted stains and repels moisture with a **seamless construction**, including a 3-layer multifunctional sweatband and patented Stain-Block Technology that absorbs sweat and diffuses through the undervisor. As always, it features the FLEXFIT THE ONE AND ORIGINAL® Technology for lighter, smarter and sleeker fit.

180

MADE FOR ALL

The Flexfit 110® technology redefines our mastery of comfort and versatility using a hybrid approach. By combining the ease of an **adjustable closure with the unbeatable fit of our Flexfit® Tech**, the Flexfit 110® cap is made to feel specifically constructed for you, making it the ultimate one-size-fits all cap to suit anyone.

FLEXFIT 110®

110M

ADJUSTABLE FLEXFIT®

Flexfit 110® Cap infuses Flexfit®'s flagship technology, with an array of adjustment options, each equally providing an even further tailored experience in size and fit. One product that covers 10 sizes, Flexfit 110®, your ultimate headwear solution.

FLEXFIT® TECHNOLOGY

Flexfit® Technology is the world's first patented stretch-fit cap technology and is shared among our core product lines, Flexfit®, Flexfit 110®, Flexfit 210®, and Flexfit Delta®.

ADJUSTABLE CLOSURE

The adjustable closures are a pivotal addition to our FLEXFIT® caps to offer more range, versatility, durability, and most importantly, tailored comfort.

IMAGINATION WITHOUT LIMITS

The Flexfit® Melange UniPanel™ cap boasts an uninterrupted canvas to accommodate any design or decoration on its seamlessly fused front panel. Let your passionate creativity and imagination run wild with endless design possibilities.

LARGER CANVAS

No interruption in the middle allows a larger space for decoration such as embroidery, patch, screen print and sublimation

PATENTED UNIPANEL™ TECHNOLOGY

The two front panels have been fused to form one uninterrupted, seamless panel

SYMBOL OF AUTHENTICITY & QUALITY

Integrated symbol embroidered to the side of the mesh panel to represent both the authenticity and quality of the cap

FLEXFIT® TECHNOLOGY

Our original sweatband with elastic fiber forms the versatile fit of the cap.

5511UP

FLEXFIT® UNIPANEL™ TRUCKER CAP

Pair the Flexfit® UniPanel™ Cap with just about any decoration. The fused front panel provides an uninterrupted canvas that allows for endless possibilities. The embroidered Symbol of Authenticity & Quality on the side of the cap also adds a visual element to the cap while also ensuring the hat's quality and comfort. UniPanel™ structured cap with silver undervisor, 8 rows of stitching on visor. Embroidered with the 4BAR logo to assure the quality of our renowned craftsmanship. FLEXFIT THE ONE AND ONLY ORIGINAL®.

OUR STEP TOWARDS A CLEANER FUTURE

Join us in our sustainability revolution with our Rescued + Renewed Collection. Using recycled fabric and mesh made from recycled plastic bottles, we are dedicated to reducing waste and being part of the solution **rooting for tomorrow**. As a company that strives to innovate in efforts to better ourselves, we have placed great effort to develop a product that suits the consumer's needs while causing no unnecessary danger to our environment. We hope to be a leading example within the headwear industry, and set a roadmap to a better tomorrow.

HAT COMPONENTS

VISOR A fabric-covered round piece attached to the front of the cap.
Made to help shield the eyes from the sun, visors come in a wide range of shapes and curvatures to cater to a variety of headwear styles.

CROWN The distance from the bottom edge of the cap to the top of the head.
This helps determine the depth of the cap. A smaller number means the cap will sit higher on the head while a larger number means the cap will sit lower.

PANELS Triangular pieces of fabric that are stitched together.
These pieces come together to form the main rounded structure of the cap. Depending on the style, caps generally consist of 5 or 6 panels.

CLOSURE The back piece of the cap that determines fit and adjustability.
There is a wide range of closure types such as snapbacks, buckles, and plastic hooks made to give our customers the perfect fit.

PROFILE The slope of the cap's crown.
Low-profile caps tend to have crowns that are more angled while high profile caps have crowns that are more perpendicular to the visor.
